

156 Duke Street Castlemaine VIC

4 1 2

This low-maintenance four-bedroom family home has been tastefully updated, with a new kitchen with a dishwasher, with a fridge included.

Front rooms include double glazing for energy efficiency, three bedrooms have built-in robes, and the fourth bedroom could be a home office and a family bathroom with a separate toilet. Additional details include a gas space heater and evaporative cooling. To the front of the property is a single garage with remote roller door access and stone down for additional car parking and a low-maintenance garden.

The rear yard has separate access and can be included or not. Available now on a 12-month lease.
