

**156 Duke Street Castlemaine VIC**

4 1 2

**Updated Family Home**

This low-maintenance four-bedroom family home has been tastefully updated, with a modern kitchen offering a dishwasher, with a fridge included.

Front rooms include double glazing for energy efficiency, three bedrooms have built-in robes, and the fourth bedroom could be a home office and a family bathroom with a separate toilet. To the front of the property is a single garage with remote roller door access and stone down for additional car parking and a low-maintenance garden. The rear yard has separate access and can be included or not.
