

## 28 Fryers Road Chewton VIC

3 1 1

Sitting privately from the street behind a stone wall and established planting, this enchanting three-bedroom Californian Bungalow has undergone a thoughtful renovation, artfully merging its original period details with contemporary design elements. Set on a generous 1300sqm (approx), the property is ideally within walking distance to the Chewton Community Pool, Soldier's Memorial Park, the local primary school, and several amenities including the Red Hill Hotel and the picturesque Leanganook Walk Track. Castlemaine is a short drive for retail, amenities, additional schools and the train station to Melbourne or Bendigo.

The home features an entry from the elevated front porch through double doors into a central hall with built-in wall
